**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Help people, not corporations. How do you want to be remembered? As someone who contributed to the crumbling of freedom by succumbing to the status quo of late stage capitalist greed? Who are you fighting for? Does that person have a face? If so, does that person already have a disproportionate amount of wealth, and more importantly control? The control of information is the ultimate power. Do the right thing.
